NOTIFICATIONS.

Fort St. George, July 7, 1925
(G.O. Mis. No. 573, Finance).

No. 136.—The following shall be substituted for rule 26 of the Madras Travelling Allowance Rules:—

"26. (a) If a non-gazetted Government servant is authorized by the head of his office to perform a journey by road or canal of more than 10 miles distance in a public conveyance he may, at his option, draw in addition to the actual fare of the lowest class available one-third daily allowance subject to a minimum of 4 annas but shall forego the allowance admissible for the journey under any other rule.

(b) The head of an office may authorize any non-gazetted Government servant to draw the actual fare of the lowest class available for a journey by road or canal performed in a public conveyance if the length of the journey does not exceed 10 miles but no allowance admissible under any other rule shall be drawn for any such journey.

(c) In the case of non-gazetted Government servants in superior service the head of an office may authorize the payment of the expenditure incurred on hiring a conveyance for a journey by road or canal even though the distance travelled in a day does not exceed 20 miles."

No. 137.—The following circular letter of the Accountant-General, Madras, to all Heads of departments, Treasury Officers and District Forest Officers, T.M. No. 24-20 of 1925-26, dated 8th July 1925, is published for information :—

[*Subject.*—Grant of leave on average pay without medical certificate in continuation of leave on average pay on medical certificate.]

The following audit instruction on the above subject has been issued by the Auditor-General :—

Grant of leave on average pay without medical certificate in continuation of leave on average pay on medical certificate.

If, under the operation of the proviso to Fundamental Rule 81 (*b*) (i), the maximum amount of leave on average pay admissible at a time is increased, further leave on average pay may not be granted in continuation unless such leave is taken on medical certificate or is spent elsewhere than in India or Ceylon but such leave on average pay which may be taken on medical certificate or outside India and Ceylon up to a maximum of 12 months in a Government servant's whole service, if due, does not consume the leave on average pay which may be taken without medical certificate.

(File 308-A of 1924.)

2. It will be seen that any leave on average pay to Government servants subject to ordinary leave rules granted or extending beyond the first four months of leave on average pay can be only on medical certificate or for the consideration that the leave is spent out of India or Ceylon. It will be also seen that when the leave on average pay already taken on medical certificate or out of India or Ceylon has exhausted the one year referred to in F.R. 81, (*b*) (i) any further leave on average pay that may be granted on medical certificate or out of India or Ceylon should be debited to the 'B' Account.

No. 138.—The following circular letter of the Accountant-General, Madras, to all Heads of Departments and Treasury officers, T.M. No. 1924

of 1925-26/1650, dated 30th June 1925, is published for information.—

[*Subject*.—Compensatory allowance paid to Government servants who rendered service under different Governments and Departments.]

It has been decided by the Auditor General that the principles governing the distribution of leave salaries between different Governments and departments—vide this office circular No. T.M. 24-1927, dated 20th August 1924—are inapplicable to Compensatory allowance (including house-rent allowance) which is defined in Fundamental Rule 9 (5) as an "allowance granted to meet personal expenditure necessitated by the special circumstances in which duty is performed" unlike leave salaries. This allowance is not earned by service. It is essentially a liability of the Department in which the Government servant is attached for the time being and should be borne by that Department.

DEPARTMENT OF COMMERCE.

TARIFFS.

Simla, the 16th June 1925.

No. 260-T.-(37).—In their Resolution, No. 260-T-(15), dated the 27th November 1924, the Government of India accepted the finding of the Tariff Board that the Indian Steel Industry was at that date in need of further protection than was afforded by the duties imposed by the Steel Industry (Protection) Act (XIV of 1924), and expressed the opinion that bounties not exceeding Rs 50 lakhs in the aggregate should be given to the industry for one year from 1st October 1924 to 30th September 1925. The Government of India also announced at the same time that, before the period indicated expired, the whole matter would be reviewed in the light of the circumstances then prevailing in order that it might be decided before the opening of the Autumn session whether it was necessary or advisable to place fresh proposals before the Assembly. In pursuance of this Resolution, a bounty is being paid, with the sanction of the Assembly, on rolled steel manufactured in India subject to certain conditions. The Tariff Board is now requested to re-examine the whole question in accordance with the undertaking given therein. They will consider—

(1) whether in view of the conditions of the industry and of the probable level of prices of steel articles, the protection afforded by the Steel Industry (Protection) Act to the manufacture of the articles enumerated therein should be supplemented beyond the 30th September 1925;

(2) if so, for which of those articles is further assistance required and in what form and for what period should it be given.

2. Firms or persons interested, who desire that their views should be considered by the Tariff Board, should address their representations to the Secretary, Tariff Board, 1, Council House Street, Calcutta.

No. 762.—PLAGUE REGULATIONS IN FORCE OUTSIDE THE PRESIDENCY TOWN.

Whereas certain parts of the Presidency of Madras are visited by and other parts are threatened with an outbreak of the dangerous epidemic disease known as plague, and whereas the ordinary provisions of the law for the time being in force in the Presidency are insufficient for the purposes of preventing the outbreak or spread of the disease.

In exercise of the powers conferred by section 2-A of the Epidemic Diseases Act, 1897, as amended by Devolution Act XXXVIII of 1920, the Local Government are pleased to prescribe in supersession of all regulations previously issued on the subject, the following temporary regulations to be observed throughout the Presidency except the City of Madras for a period of one year from the 15th of July 1925.

1. In these regulations

(*a*) 'Infected area' means any area which is notified under these regulations by the Local Government or, subject to their control by the Collector of a district, to be infected with plague.

(*b*) A 'local authority' means the local medical officer, or if there is no such officer, the village headman, the District Health Inspector or any other person appointed as a local authority for the purposes of plague by the Collector of the district.

(*c*) 'Plague Officer' means the District Health Officer or the District Medical and Sanitary Officer where there is no District Health Officer, the Municipal Health Officer and the Revenue Divisional Officer within his jurisdiction and includes any other person who may be appointed by the Government or by the Collector as plague officer over any definite area.

2. The Local Government may, by notification in the *Fort St. George Gazette*, declare any place or area in which one or more indigenous cases of plague have occurred, or in which the existence of plague among rats has been proved, to be infected with plague. In similar circumstances the Collector of the district may notify by tom-tom and by publication in the district gazette that any place or area in his district is infected with plague, informing the Government forthwith of the fact that he has done so.

3. In an infected area or in a district adjoining an infected area the Collector may close any existing market and may appoint special places where markets may be held and may prescribe limits beyond which it shall not be lawful for persons bringing articles for sale from or to an infected area to pass.

4. In an infected area the Collector, or a plague officer with the previous sanction of the Collector, may order the evacuation of infected houses and houses in their neighbourhood, or generally of any infected locality :

Provided that, before issuing or authorizing an order for compulsory evacuation, the Collector shall either provide adequate and suitable shelter within a reasonable distance for the persons evicted, together with the necessary water-supply and arrangements for watch and ward or shall satisfy himself that such shelter and water-supply have been provided by private agency. The Collector shall also satisfy himself that the compulsory evacuation is necessary to avert the further spread of the disease, or is in the interests of the affected population, taking account of climatic conditions.

The Collector may require all persons who evacuate their houses voluntarily, or are evicted under this regulation, to reside in such place as he may appoint.

Nothing contained in this rule shall be deemed to apply to persons who have been successfully inoculated against plague during the nine months prior to the declaration of a locality being infected or who get themselves inoculated within 24 hours of such declaration.

5. In an infected area the Collector may enter upon, occupy and use, or may depute any person to enter upon, occupy and use, without having recourse to the provisions of the Land Acquisition Act, 1894, any building or place which is required for, and is, in the opinion of the District Health Officer or the District Medical and Sanitary Officer where there is no District Health Officer, suitable for any purposes connected with plague measures: provided that, if the building or place is occupied, twenty-four hours' notice in writing shall be given to the occupier or shall be conspicuously affixed on such building or place. The owner or lessee of such building or place shall be entitled to a reasonable rent, to be fixed by the Collector for the period during which the ground or building may be used for purposes connected with plague; and the Collector shall, when any building ceases to be so used, cause it to be thoroughly cleansed and, if the owner so desires, whitewashed internally and externally.

6. If the Collector is of opinion that the destruction of any hut or shed is necessary to prevent the spread of plague, he may take summary measures for the destruction of such hut or shed and of the materials of which it is constructed.

7. The Collector may direct that any dwelling house or any landing place or railway goods-shed or any place used for the storage of grain shall be inspected and that all rats found therein shall be destroyed; and to facilitate the destruction of rats may order the temporary removal of any grain or other merchandise.

8. The Collector may direct that at any place in his district any consignment of grain, being conveyed by rail, road or otherwise, shall be examined, and shall, if necessary, be unloaded and exposed to the sun in such manner and for such period as he may fix.

9. Every householder and every medical practitioner shall at once report to the nearest local authority any case of plague or any case of fever with glandular swellings or any unusual mortality among rats which may come to his notice.

10. The chairman of any municipal council or union panchayat, or the headman of any village in which there is no panchayat, may prevent any person suspected of coming from an infected place from entering the town or village for a period not exceeding two days unless his clothing and personal effects have been thoroughly exposed to the direct rays of the sun for not less than six hours. He may also prevent any consignment of grain from entering the town or village until the bags have been removed from the carts and every side of each bag has been exposed to the direct rays of the sun for not less than two hours.

11. (1) In the absence of a written contract to the contrary, every inspector, mistri, peon, watchman, coolie, scavenger or other menial servant employed to do duty in connexion with plague, shall be entitled to one month's notice before discharge, or to one month's wages in lieu thereof, unless he is discharged for misconduct or was engaged for a specified term and is discharged at the end of it. Similarly every supplier of coolies shall be entitled to one month's notice before his coolies are discharged.

(2) No such inspector, mistri, peon, watchman, coolie, scavenger or other menial servant shall, in the absence of a written contract authorising him to do so, and without reasonable cause, resign his employment or absent himself from his duties without giving one month's notice or shall neglect or refuse to perform any of his duties. In like manner no supplier of coolies or other menial servants shall withdraw his coolies or servants without giving one month's notice.

12. When in consequence of the exercise of the powers conferred by or under these regulations any property is damaged or destroyed, the Collector shall pay to the owner by way of compensation such sum as he may consider sufficient to cover the cost of repairing the damage or replacing the property destroyed.

Notes.—(1) The Plague Regulations being orders formally made and issued by Government under the Epidemic Diseases Act, no sanction is required as a condition precedent to prosecution for disobeying them (Judgment of the High Court in Criminal Appeal No. 561 of 1898).

(2) By Command Order No. 697, dated 10th November 1898, all ranks in the Madras Command have been directed to obey the Plague Regulations, and any infringement of them is punishable as a military offence. Military pensioners have been warned (Superintendent's Circular No. 11, dated 14th December 1898) that any disobedience or wilful neglect of the regulations or obstruction offered to any official on plague duty will be treated as a breach of the good conduct required by Government as a condition of the continuance of their pensions, and that any pensioner being guilty thereof will be liable to have his pension stopped forthwith and the same reduced or permanently withdrawn.

INSTRUCTIONS TO CANDIDATES APPEARING FOR THE EXAMINATIONS TO BE HELD IN SEPTEMBER AND OCTOBER 1925.

Candidates for University Examinations are required to observe the following instructions very carefully :—

1. Strict silence should be maintained in the examination room.

2. Candidates should take their places in the examination hall at least five minutes before the time fixed for giving out the papers. Candidates presenting themselves more than half an hour after the appointed time will not be admitted to the examination hall. Candidates who are undoubtedly suffering from infectious diseases of any kind will not be admitted.

Candidates should bring with them to the examination hall each day of the examination their hall tickets for inspection by the Chief Superintendent.

3. Candidates are prohibited from writing upon their hall tickets or question papers. Candidates are also prohibited from writing their names on any part of their answer books, but their register numbers should be written very distinctly on the outer cover of each. Failure to write their register numbers may involve the rejection of answer papers.

4. Candidates are not allowed to exceed the time assigned to each paper.

5. No candidate will be allowed to leave the examination room till the expiry of at least half an hour after a question paper has been given out; and no candidate who leaves the room during the period allotted for a paper will be allowed to return within that period.

6. Candidates are forbidden to ask questions of any kind during the examination. They are further forbidden to communicate with the examiners; should they do so, their answers will not be valued, and their conduct will be reported to the syndicate for disciplinary action.

7. Candidates are not allowed the use of books of any kind (except as provided in rule 8). They are also prohibited from introducing into the examination room any book or portion of a book, slate, manuscript, or paper of any description; from communicating with, or copying from each other; and from communicating with any person outside the examination room. Any candidate detected in the violation of these rules will be sent out of the room forthwith, and his conduct will be reported to the Registrar. The use of stencils at University examinations is not permitted except to students answering papers in Mathematics. The use of mathematical instruments whilst answering papers in Mathematics and in the Physical Sciences will be allowed. Such instruments will not be supplied by the University.

8. Clarke's Mathematical and Physical Tables will be supplied to candidates in groups (i) and (ii) of the Intermediate B.A. and B.Sc. Degree Examinations.

9. Candidates are required to provide themselves with their own pens. Candidates may bring into the examination hall their own ink-bottles. They must, however, use only black ink while answering their question papers.

10. Particular attention is requested to the instructions, regarding rough working and loose sheets of paper printed on the answer books. All rough working must be shown on the left hand page of the answer books themselves. No separate books for rough working will be supplied to candidates. Paper must not be detached from the answer books of candidates. If the ordinary answer books are found insufficient, additional books will be allowed and these should be securely fastened to the answer books.

11. As soon as candidates have finished writing their answers, and wish to give up their answer books, or at the end of the period prescribed for each particular part of the examination, each should stand up in his place and remain standing until one of the superintendents has gone up to him and received his answer book from him.

12. Communications to the Registrar from candidates requesting information relating to the results of examinations will not receive attention until after the publication of the results in the *Fort St. George Gazette*.

The hall tickets of candidates sitting for the examinations at Madras will be ready for distribution at the Senate House four days before the date of each examination. Candidates sitting for the examinations at centres other than Madras should apply to the Chief Superintendent of the respective centre for their hall tickets.

REVENUE NOTIFICATIONS.

NOTIFICATIONS.

No. 12.—In virtue of the powers delegated under clause XI of Government Notification No. 486, dated 13th July 1896, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 29th September 1896, Part I, as amended by Government Notification No 101, dated 15th March 1924, and in supersession of Board's Notification No. 13, dated 21st July 1924, the Commissioner of Excise hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1925 :—

(1) The villages in the Agency tracts specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangasseri and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shop-keepers in areas in which the toddy shops are sold by auction or licensed separately ;

(*b*) of persons having the exclusive privilege of manufacture and supply of coconut toddy arrack ;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption but not for sale ;

(*e*) of sweet-toddy tappers in Sankaridrug Circle for not more than two trees for the drawing of toddy required for domestic consumption, but not for sale ;

(*f*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(*g*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State ; and

(*h*) of any member of a hill tribe whether a tree-owner or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each household for domestic consumption but not for sale.

In cases (*b*), (*d*) and (*f*), the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*a*), (*c*), (*e*), (*g*) and (*h*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, or a Taluk treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped ; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer ; if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned, along with the application in form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6 Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly, those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer of rank not lower than a Sub Inspector and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the Narsapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate tapes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadaul (*Areaga Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

Read subsequent correspondence on the subject between the Government of Madras and the Chairman ending with the former's Memorandum No. 19209-1, Finance (Marine), dated the 23rd May 1925, forwarding a letter from the Government of India together with their draft of an arrangement which they propose should be come to between them and the Port Trusts in India for a satisfactory solution of the question under reference—an arrangement based on principles different in some respects to those accepted in the above quoted resolution. Read also notes thereon by the Chairman and the Deputy Port Conservator.

Resolved that the Government of Madras be informed that the Board generally agree to the proposed arrangement and that the Government be furnished with a copy of the Deputy Port Conservator's memorandum with the intimation that, if not too late, the Board would like that the point raised therein should receive consideration, though they do not wish to press the point if inconvenience would be caused by the delay thereby occasioned.

The Chairman stated that Commander Digby-Beste had been permitted to hand over charge of his office to Mr. Freeman on the afternoon of this date, *viz.*, the 19th June 1925, as he had received intimation that the Committee would begin its sittings at Bombay on Monday, the 22nd June 1925.

Resolved that Government be informed with reference to their Memorandum No. M. 15519-1, Finance (Marine), dated the 29th April 1925, and the Chairman's reply thereto, that Commander H. A. B. Resolved that, in recording the report, the Trustees wish to place on record their appreciation of the services rendered by the Deputy Port Conservator and the Harbour Masters from the 14th to the 16th May 1925 and to express their thanks to the Police and the Customs Departments and to Messrs. The cistern of the Barometer is twenty-two feet above the level of the sea, and the receiver of the Rain Gauge is two feet from the ground. The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 9·20 inches, the average due for the same period being 7·80 inches.

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE

No. 28.] MADRAS, TUESDAY EVENING, JULY 14, 1925. [PRICE, 1 anna.

OFFICE OF THE COMMISSIONER OF EXCISE.

NOTIFICATION.

No. II, *dated* 8*th July* 1925.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the free tax areas of the Presidency, including the Bongaanpalle State and the toddy farms of 122 villages of the Parlakimedi Mahals of the Ganjam Agency will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1925 and ending 30th September 1926. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom, the auction sales will be conducted will be notified by Collectors in their District Gazettes. A separate notification will be issued regarding operations under the free tax system.

Conditions of Auction Sale.

I. Any person desiring to bid must deposit Rs. 20 with the selling officer on the day of sale, but discretion is given to the selling officer to reduce the deposit to Rs. 10 when necessary. In Madras City the deposit to be made by each bidder will be Rs. 50. No one will be admitted to the auction room unless he has made this deposit. No one may bid for another person unless he holds a power-of-attorney from him. Deposits made under this clause will be returned on application to unsuccessful bidders at the close of the day's sale.

NOTE.—In Madras City the deposit must be paid into the taluk treasury and the chalan for such payment produced before the selling officer. Deposits will be returned under the orders of the selling officer to unsuccessful bidders at the close of the day's sale on presentation of the chalan at the taluk office.

II. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a criminal court or has previously been guilty of such a breach of the conditions of licence or of a contract under the Abkari (Opium) Act as to render him undesirable as a holder of a licence; or (2) that he is insolvent or in arrears to Government; or (3) that his bid is purely speculative; or (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop or of a neighbouring village; or (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; or (6) that he is a brewer bidding for beer shops, or (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

III. The reserve price placed on each shop or farm will not be published but the average annual rental during the previous five years will be notified by Collectors, wherever possible, for the information of bidders. The selling officer will fix the upset price of each shop.

IV. The shops or farms will be put up to auction in the order in which they are notified unless the selling officer sees reason to change that order.

V. The highest bid will be provisionally accepted by the selling officer subject to confirmation by the Collector. Such subsequent confirmation after the close of the sale will be necessary even if the selling officer is the Collector himself. The Collector will be at liberty to accept or reject any bid at his discretion. If the selling officer before the close of the sale rejects under condition II the highest bid for any shop or farm he may at his discretion either accept the next highest bid or resell the shop or farm. In case of dispute the selling officer's decision will be final.

VI. (a) Every person whose bid is provisionally accepted shall

(i) at once, if so required by the selling officer or otherwise at the close of the day's sale, deposit in addition to the deposits made under clause I half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a licence for each shop knocked down to him and within a week thereafter furnish the Tahsildar with the boundaries of the site selected by him for the location of the shop and a statement in the prescribed form (annexed to this notification) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops knocked down to him.

(b) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to deposit two months' rent of all shops knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgagee to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to this notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above, within fifteen days from the date of sale.

The bond and the mortgage deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart Agreement.

VII. Deposits will be returned in any case in which the Collector refuses to confirm the acceptance of the bid.

VIII. At the close of the day's sale the selling officer will notify the date on which re-sales, if any are found necessary, will be held: when the list of shops or farms to be re-sold has been drawn up, a copy of it will be sent to any bidder who gives his name and address to the Tahsildar.

IX. The order of the Collector confirming or refusing to confirm the acceptance of a bid shall be final unless it is revised by the Commissioner for special reasons.

X. On the failure of any person to make a deposit or apply for a license under condition VI or to comply with any requisition or to execute any engagement under condition VI, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer or on a report from the Divisional Officer may be otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all sum and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

XI. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence.

XII. The deposits under condition VI (a) (iii) and (b) (i) may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board Securities, or by depositing Postal savings bank pass books or deposit certificates obtained from the Provincial Cooperative Bank (Madras Central Urban Bank) or from any of the Central Banks approved by the Registrar of Co-operative Societies. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required as in the circumstances of the market he may think necessary. Where the deposits under this condition are sufficient, under the Collector's orders, to cover also deposits made in cash under conditions I and VI (a) (i) which have not been refunded as well as deposits due under condition VI (a), (iii) and (b) (i) the deposits made in cash may be returned to the depositors. Renters who have made the deposits under condition VI (a) (iii) and (b) (i) in the form of deposit certificates obtained from any of the Central Banks mentioned above or in cash may make a formal requisition to the Treasury Officer to transfer the cash deposits made by them under conditions I and VI (a) (i) or under conditions I, VI (a) (i) and VI (a) (iii) and (b) (i) to the fixed deposits in the Central Bank in the name of the Tahsildar. The Treasury Officer will endorse this requisition on to the Bank and inform it that when the Bank gives the necessary formal receipt, he will hand over the amount to the representative of the Bank duly authorized to receive it, or will remit it by postal money-order or insurance cover to the Bank. When the amount has to be sent by postal money-order or insurance cover the renter will be required to deposit in the Treasury, with his requisition to transfer the deposit, an amount which shall, in the opinion of the Treasury Officer, be sufficient to cover the cost of forwarding the amount of the deposit to the Bank; any balance not utilized for this purpose will be credited towards any rent due from the depositor. The securities or savings bank pass books deposited must be endorsed in the name of the Collector and Government promissory-notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. In the case of Co-operative Bank deposit certificates the deposits must be made in the name of the Tahsildar of the taluk, the contractor must agree in writing that he undertakes the risks, if any, involved in the investment and the banks must certify on the deposit certificate granted that the deposit is withdrawable on the Tahsildar's demand.

XIII. Deposits in cash will be adjusted towards the instalments of rents due in the last months of the period of the lease. Deposits of securities or savings bank pass-books or Co-operative Bank deposit certificates will be returned on payment in cash of the full amount of the rent due and of any

penalties or other sums recoverable under the terms of the licence or of the conditions set forth below unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under condition X of the conditions of auction sale or under condition 37 of the general conditions applicable to all abkari and opium licences, all securities deposited are liable to be sold for any amount due to Government under the terms of the licence, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under condition 10, 11 or 40 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for use as a depot or shop. Licensees must keep their shop premises in a sanitary condition to the satisfaction of inspecting officers. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Excise Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence save by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special licence to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway, and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

9. No arrack shop, foreign liquor tavern or beer shop shall be opened before 9-30 a.m. Toddy shops in Salem Town shall not be opened before 9 a.m. No other shop or depot shall be opened before sunrise.

10. (a) No depot or shop shall be kept open after 8 p.m. except under special authority. Collectors may at their discretion order the closure of any depot at sunset and may on the report of the Police or for other sufficient reasons order the closure of any shop at an earlier hour if they consider such a course to be advisable in the interests of the public. The Commissioner may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) With the previous sanction of the Commissioner, Collectors are authorized (i) to notify at the time of the auction that specified shops will be closed on the occasion of specified festivals, and that the hours of sale at specified shops which are in the neighbourhood of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness, (ii) to order the closure of specified shops in the neighbourhood of factories, mills and other places, where large numbers of operatives assemble, from 11-30 a.m. to 1-30 p.m. on week days, on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or liabilities will be inserted by the Collector in the licences granted to the renters of all such shops.

(e) 9 p.m. is fixed as the general closing hour in the case of Railway refreshment rooms. Collectors are authorized to note in the licences the particular hours after 9 p.m. during which such licensed premises may be kept open for the sale of liquor to bona fide travellers only with reference to arrival and departure of trains. Collectors may alter these hours during the currency of the licence with reference to any alteration in the Railway Time Tables.

11. Depots and shops must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall close his depot or shop when a riot or disturbance occurs or appears likely to occur in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

13. No woman shall be employed in any abkari or opium shop for the sale of liquor, opium or intoxicating drugs without the special permission of the Collector unless she be a member of the renter's family.

14. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of eighteen or by persons suffering from leprosy or any contagious disease and the employment in any capacity of such persons in shops or depots licensed for the sale of the same are prohibited. No persons who have been convicted under the Indian Penal Code shall be employed in the transport or sale of liquor, opium or intoxicating drugs without the Collector's previous permission. The Divisional Officer may where necessary, call for the names of all persons employed or proposed to be employed in any capacity in connection with the management or the working of a depot or shop and the tapping and drawing of toddy for the supply of toddy shops in the topes in which the trees are marked and if he disapproves of any such person, may forbid the licensee from keeping him in employment.

Note.—This rule applies to the sale of eatables by persons in liquor shops.

15. No liquor, opium or intoxicating drug shall be sold or given—

(2) The restrictions in clauses (*c*) and (*d*) so far as they relate to adult females do not apply to foreign liquor licensees issued on fixed fees.

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum† prices as may be fixed for sale of the same in accordance with the law for the time being in force.

Fees for depot licences must be prepaid.

25. No remission or abatement of the rent shall be claimable on any account whatever.

26. Power is reserved to Revenue officers to suspend licences in case of failure of payment of kists or of tree-tax on the due date. In the case of arrack, toddy, ganja and beer shops and taverns, this power will be exercised by Tahsildars or Deputy Tahsildars in independent charge, in the case of opium shops by Divisional Officers and in other cases by Collectors. In the event of suspension of a licence for failure to pay arrears, the privilege of sale will be resold with effect from the date of issue of the licence to the new purchaser, or otherwise disposed of at the Collector's discretion. Disposal of the privilege of sale otherwise than by resale includes also closure of the shop or tavern. All losses on account of suspension and resale or other disposal of the privilege shall be borne by the defaulting licensee and shall become due immediately on resale or other disposal of the shop; but the defaulting licensee shall have no right to any gain which may accrue. The whole of the deposit, if any, made by the licensee shall be liable to forfeiture. The officer who has power to suspend the licence may at his discretion allow sales to continue pending resale or other disposal of the privilege.

27. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

28. (*a*) No abkari or opium licensee in an Indian State or Foreign territory will be allowed to have any interest in a licence for the same article in British territory without the special permission of the Collector.

(*b*) No abkari or opium licensee in any area in British territory may have any interest in or hold a licence for the same article in any other area in British territory in which a different rate of duty is in force, without the special permission of the Collector for which the party concerned must apply without delay. Breach of this condition will render the party liable to the penalties prescribed by condition 37 in respect of all or any of the licences held.

29. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

30. Licensees are bound to report to the Divisional Officer all instances which come to their knowledge of persons employed by them in the manufacture, transport or sale of liquor, opium or intoxicating drugs, committing breaches of the Abkari / Opium laws and to comply with the Divisional Officer's orders respecting the continued employment of such persons.

31. Pecuniary dealings by licensees of any kind whatever with officials of the Land Revenue and the Excise Departments are absolutely prohibited.

32. With the sanction of the Commissioner, any licence shall be revocable by the Collector at his discretion on giving the licensee fifteen days' notice of such revocation, in which case a proportionate part of the fee paid will be refunded.

33. All licensees shall be bound by any additional general rules that may be prescribed under the Abkari / Opium laws and shall, if so required by the Collector or any officer authorized by him, deliver up their licences for amendment or for the issue of fresh ones.

34. The officers authorized to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Excise Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test the weights, measures, liquor, opium and intoxicating drugs in the possession of the licensee, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

35. All officers authorized to inspect depots and shops are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use or which they may believe to have been tampered with in any of the ways referred to in condition 12 and all Collectors and Assistant Commissioners of the Excise Department are empowered to confiscate, or destroy such liquor, opium or intoxicating drugs.

36. An inspection note-book, with pages numbered consecutively, shall be maintained for the use of inspecting officers and shall be handed over to the Inspector of the circle or to any officer authorized by him to receive it on a receipt being given therefor.

37. (1) If a licensee or any person in his employment is convicted by a competent court of any offence against the Abkari / Opium Act or of any offence under the Indian Penal Code which in the Collector's opinion renders it desirable to cancel the licence or if it is brought to the notice of the Collector that the licensee has been convicted by a competent court of any such offence prior to the grant to him of the license, the Collector may direct that the licence shall be cancelled and the privilege be resold or otherwise disposed of at the risk of the licensee and may further direct, if he considers it necessary to do so, that any deposits made by the licensee shall be forfeited.

(2) Infraction of any of the conditions of the licence by a licensee or by any person in his employment will render the licensee liable either to be prosecuted and on conviction dealt with under clause (1) or to fine not exceeding Rs. 50 or to cancellation of licence and resale or other disposal of the privilege at the risk of the licensee and if considered necessary by the Collector to forfeiture of deposits. The rent for the whole lease shall become due at once when a lease is cancelled under this or the preceding rule.

NOTE.—For continuing breaches of a licence, continuing fines may be imposed.

38. Any sum due by a licensee may be adjusted from the deposit, if any, made by him or collected under the Revenue Recovery Act as an arrear of land revenue. The licensee shall be bound to replace any sum adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar or Deputy Tahsildar in independent charge.

39. Interest on all moneys due shall be payable at the rate of 6 per cent per annum.

40. Collectors may at the commencement of the lease order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Commissioner in his discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Commissioner. A Tahsildar may at

any time permit or order the transfer of a shop within the limits notified for the shop in the sale notice.

41. The right is reserved to the Collector to grant 'occasional licences' for the sale of liquor, opium and intoxicating drugs on the occurrence of fairs, festivals, etc., in places in the vicinity of which there are no regularly licensed shops. Such licences should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or in rented areas to the representative of the renter. The licences shall run only for such period not exceeding ten days as they are actually required. Not more than one licence shall be issued for a fair or festival without the sanction of the Commissioner. The fees to be paid for the licences shall be fixed at the discretion of the Collector.

Conditions applicable to Toddy Licences.

1. The privilege conferred extends only to the sale of toddy.

2. Toddy required for sale should be drawn under separate tree-tapping licences to be obtained under the tree-tax rules from toddy trees in the tract in which the shop is situated or in any other tract in which the rates of tree-tax are not lower, subject to the discretion of the officer granting transport permits.

3. No toddy except the produce of trees, for the tapping of which a licence has been issued, shall be kept in the shop, offered for sale or sold.

4. The Collector will fix the minimum number of trees to be entered in original applications for tree-tapping licences.

5. The licence confers no right to the free use of any trees.

6. Arrangements for tapping private trees must be made with the owners thereof and tree-tax at the prescribed rates paid thereon.

7. The licensee shall be responsible to Government for all payments of instalments of fees due on account of tree-tapping licences granted on his application in his own name or in the names of his nominees under the conditions set forth therein and in the rules relating thereto.

8. Toddy may be imported from His Exalted Highness the Nizam's Dominions for sale in toddy shops in the Bellary district on payment of a transport duty of three annas for every five seers or part of five seers.

9. Toddy shopkeepers in British districts adjoining Mysore, Banganapalle and Pudukkottai will be allowed to tap trees in those States on payment of tree-tax into British treasuries in the case of Mysore and Banganapalle and into the State treasury in the case of Pudukkottai.

10. The addition of water to and the distillation of spirits from toddy are absolutely prohibited.

11. No sweet toddy, even if it be the produce of marked trees on which tree-tax has been paid, shall be kept or sold in the shop, nor shall any sweet toddy be mixed or allowed to be mixed with fermented toddy drawn from trees marked for the shop either in the shop or outside it.

12. Toddy drawn for one shop should not be mixed with that drawn for another and transported in one receptacle.
